IPBGG Retreat 2018

Institute of Plant Breeding, Genetics and Genomics College of Agricultural & Environmental Sciences UNIVERSITY OF GEORGIA

May 10-11, 2018

Callaway Gardens, Pine Mountain, GA

Agenda

Thursday, 10 May, 2018

- 11:30-01:00 Registration/Poster setup, Pre-function Area Mt. Creek Inn
- 12:00-01:00 Lunch, Willow Ballroom

Session chair: Esther van der Knaap, Peach Ballroom

01:00 01:10 01:30	Welcome, Peggy Ozias-Akins Graduate Program Update, Esther van der Knaap, PBGG Graduate Coordinator CAES Research Update, Allen J. Moore, Associate Dean for Research
02:00	The John Ingle Innovation in Plant Breeding Award, Shelley Fincher
	Evaluation of wax-and polymer-based coatings to improve bermudagrass planting stock viability, Lisa Baxter Understanding Agrobacterium and soybean to overcome poor transformation, Tim Chappell Identification and characterization of fast-neutron induced mutations underlying altered seed composition phenotypes for soybean seed improvement, Elizabeth Prenger Toward identification of novel genes for soybean cyst nematode resistance, Ivy Tran

	Graduate Student/Postdoc/Staff Professional Development
	The Super Awesome Guide to Being Awesome At Any Interview and Numerous
	Potentially Useless Rants, Zachary King, Peach Ballroom
	Faculty Meeting, Dogwood Room
04:30	Poster session, Willow Room
06:00	Reception, Pre-function Area
07:00	Dinner, Willow Ballroom
07:45	Keynote, Is Plant Breeding at an Inflection Point?
	John Lindbo, Research & Innovation Fellow, HM-Clause Seed
08:45	After dinner social and posters Pre-function Area
Friday	r, 11 May, 2018
06:30	Fun Run, Meet outside Mountain Creek lobby
07:00	Continental Breakfast, The Plant Room
Session	chair: Carol Robacker, Peach Ballroom
08:00	From Concepts to Introduction, Michele Scheiber, Star Roses and Plants, West
	Grove, PA
08:45	Grove, PA Breeding Wheat for Georgia and the Southeast: New Challenges for an Old Crop Mohamed Mergoum, Crop & Soil Sciences, UGA Griffin Campus
	Breeding Wheat for Georgia and the Southeast: New Challenges for an Old Crop
09:30	Breeding Wheat for Georgia and the Southeast: New Challenges for an Old Crop Mohamed Mergoum, Crop & Soil Sciences, UGA Griffin Campus Genetics and the Evolution of Crop Plants: Insights from Sunflower, John Burke,
09:30 10:15	 Breeding Wheat for Georgia and the Southeast: New Challenges for an Old Crop Mohamed Mergoum, Crop & Soil Sciences, UGA Griffin Campus Genetics and the Evolution of Crop Plants: Insights from Sunflower, John Burke, Plant Biology, UGA Athens Team building activities, Meet in hotel parking lot Hiking (at Discovery Center, Butterfly Center or Mt Creek area) Birds of Prey Show (outside at Discovery Center amphitheater)
08:45 09:30 10:15 11:45 12:00	 Breeding Wheat for Georgia and the Southeast: New Challenges for an Old Crop Mohamed Mergoum, Crop & Soil Sciences, UGA Griffin Campus Genetics and the Evolution of Crop Plants: Insights from Sunflower, John Burke, Plant Biology, UGA Athens Team building activities, Meet in hotel parking lot Hiking (at Discovery Center, Butterfly Center or Mt Creek area) Birds of Prey Show (outside at Discovery Center amphitheater) Cecil B. Day Butterfly Center (self-guided tour) Checkout (normal checkout time is 11:00; 11:45 is late checkout, available if
